3. about several excellent website resources aimed at helping investors and others in a wide range of financial subjects . . .

Call or email to inquire about scheduling a session for your class . . .

Presented as a community service for high school and college age students

**Absolutely No Products or Services Pitched relating to affiliated interests**

Classes are conducted by Richard L. Sabby, President of Investment Strategies, Inc., and CEO of Investment Programs LLC. Tapping over 30-years of Wall Street experience, starting as a stockbroker with a national brokerage firm in the 1970s, to creating an independent operation in 1980 as a registered securities principal, to launching an SEC registered investment advisor in 1982. Mr. Sabby has a proven record as a portfolio manager with a special focus on risk-management programs. A veteran of several bull and bear markets since the 1970s, he is also a market historian and has studied market behavior dating back over 100 years.
