

Investment Strategies, Inc.'s —
educational outreach

Investment Strategies, Inc. (ISI) has over 27 years of experience successfully navigating both bull and bear markets with an objective and disciplined approach to managing risk.

▶ **Learn how to beat the Stock Market with reduced risk — discover proven strategies for successful investing . . .**

In less than 60 minutes, attendees will learn . . .

1. a time-tested simple strategy to beat the stock market, which requires less than 15 minutes per week, employs no-load index funds and can be teamed with any portfolio style . . .
2. how to find the best no-load funds and proven managers with superior performance over full market cycles, perhaps the best method to use for serious long-term investment . . .
3. how to build a high-quality stock portfolio without a broker or paying commissions using Dividend Reinvestment Investment Plans or DRIPs offered by hundreds of public companies. . .

In this free seminar attendees will also learn . . .

1. how to find the secrets of Wall Street from the ultimate insider, the former head of the Securities & Exchange Commission . . .
2. where to obtain the best interest rates for FDIC insured savings accounts and money market mutual funds . . .
3. about an excellent website aimed at helping investors with objective advice, unbiased investing resources and simple to use financial tools — no sales pitch or confusing advice . . .

Note: Although this website—operated by NASD—is aimed at helping U.S. military personnel and their families, the helpful advice and resources on this website are available to all investors.

Call or email to inquire about scheduling a seminar for your group . . .

Presented as a community service — Absolutely No Products or Services Pitched

Seminars are conducted by Richard L. Sabby, President of Investment Strategies, Inc., and CEO of Investment Programs LLC. Tapping over 30-years of Wall Street experience, starting as a stockbroker with a national brokerage firm in the 1970s, to creating an independent operation in 1980 as a registered securities principal, to launching an SEC registered investment advisor in 1982. Mr. Sabby has a proven record as a portfolio manager with a special focus on risk-management programs. A veteran of several bull and bear markets since the 1970s, he is also a market historian and has studied market behavior dating back over 100 years.
